

# **TRIO FC NET**

## **FLOOR CLEANER-NON RINSE**

**TRIO FC NET;** It is formulated with a naturally obtained surfactant system that safely and effectively cleans all hard surfaces and other surfaces without harmful chemicals. No rinse is required. It can be used as a daily cleaner to restore brightness.

### **PRODUCT FEATURES AND BENEFITS**

- It is a neutral liquid cleaner used in daily cleaning of wet hard floors where human traffic is dense, with intense perfume, does not require rinsing and provides practical cleaning.
- It is used for cleaning all kinds of surfaces and hard wet floors that are not affected by water.
- It easily cleans the dirt settled on the surfaces in daily use and does not leave any stain.
- It leaves a lasting fragrance of fragrance during and after cleaning

### **DOSAGE AMOUNT AND INTENDED USE**

Solution is prepared by adding 250-350 ml at low pollution level, 400-600 ml at medium pollution level and 650-850 ml at high pollution level to 10 L water.

The prepared solution is applied to the surface to be cleaned and treated. Drying is performed when it requires fast drying.

**Caution:** Remove coarse dirt and dust from the floor before treatment.

**NOTE:** Please review the MSDS reports before use for safety, occupational health and safety.
