

TRIO DPC-L

Drain Pipe Cleaner

FEATURES:

TRIO DPC/L is a concentrated biologically activated liquid formulation developed to deal with sewage wastes. TRIO DPC/L clears pipes and systems blocked by organic waste residuals and eliminates obnoxious odours. TRIO DPC/L digests grease, fats, starch and other organic compounds on draining to the holding tank or sewage treatment plant.

APPLICATION METHODS:

The system is used by pouring directly from the farthest point.

PACKAGING AND STORAGE:

The packaging type is in 20-25-30 Kg/L plastic drums and the storage period is 2 years.
